

New Year New Look

As a valued customer of our services, we would like to inform you of some exciting changes that are being introduced from Tuesday 2nd January 2018.

Nottingham Community Transport has set up a trading arm called '**CT4N**', to operate the **Locallink, Centrelink, Ecolink, Medilink** and **Worklink** services, that we currently operate on behalf of Nottingham City Council. '**CT4N**' is wholly owned by Nottingham Community Transport and will continue to maintain the service standards and commitment to the Nottingham community that is central to our values.

All of the bus services listed above will transfer from Nottingham Community Transport to '**CT4N**', but our vehicles, routes, fares and regular team of friendly drivers will remain the same. Your rights as a customer and the conditions of carriage also remain unchanged.
