

## **SERVICE CHANGES – SEPTEMBER 2019**

From Monday 2<sup>nd</sup> September, there will be some changes to the services that we operate

**Services 22 & 23** CT4N took over these routes commercially in April 2019, unfortunately, we're not carrying enough customers on Saturdays, therefore this service will only operate Monday to Friday from 2<sup>nd</sup> September, with a revised timetable which can be found here <https://bit.ly/2KYJ627>

Fare on services 22 & 23 will also increase from £1.50 to £2.30 for Adults and from £1.00 to £1.20 for Under 19's, which is in line with fares across all of the services we operate

**Ecolink** This service which is currently operated under contract to Nottingham City Council will be cancelled. Two new commercial services operated by Nottingham City Transport will cover Colwick Park & Ride and Netherfield Retail Park. Further information regarding the new services can be found here <https://bit.ly/2Hdckt3>

**Localink L14** The current 07:14 journey between Basford and City has been retimed to commence from Bulwell Bus Station at 07:03

**Localink L1/L5 and Worklink W1** The current Bus Stop on Mount Street will move from X1 to the next stop on Mount Street X2, there are no changes to the timetables for these services
