

Locallink L7

Your service is operated by Nottingham Community Transport and entirely funded by Nottingham City Council.

What is Hail and Ride?

The L7 operates Hail and Ride along Charlbury Road and Radford Bridge Road.

This means there are no bus stops along this section of the L7 route, to get on the bus, just stand at the kerb and hold your hand out. The bus will stop at a safe place near to you.

When getting off along this section of route, just ring the bell and let the driver know where you need to be dropped off.
