Nottingham
City Council

Changes to Ecolink

Timetable changes - Ecolink continues to operate every 15 minutes but will now extend on Saturdays to Victoria Retail Park, offering connections to Colwick Industrial Estate and Victoria Retail Park at the weekend.

Route changes - Ecolink will no longer pull off the Daleside Road and go into the Park & Ride site, but will reduce journey times to and from the City Centre by picking up from the 2 new bus stops on the Daleside Road. A new section of road on Colwick Industrial Estate will be served instead of Private Road No.1. new stops will be available here, see map for details.

Ecolink will now use City Link and Lace Way (behind Bio City) instead of Pennyfoot Street. New bus stops have been installed along this new section, offering easy access to Bio City, NHS Urgent Care Centre and other businesses located on the Island Site, see map.
