

Service 16 Timetable Changes

Unfortunately, due to continued driver shortages affecting all Bus Companies up and down the United Kingdom, we are having to take the hard decision to suspend service 16.

From Monday 20th December, Service 16 will be suspended until further notice.

Service 29 will continue to operate as normal between Sandiacre, Wilsthorpe, New Sawley & Long Eaton

We are sorry that we have had to take this decision, however once we have further drivers available, we will return to our normal timetable.

On the right side of the banner, there are three social media icons: a Twitter bird, a Facebook 'f', and an Instagram camera. To the right of these icons are the handles '@CT4NLive', 'CT4NLive', and '@CT4N_Live' respectively.
